WE OFFER BACKPACK KITS!

Did you know that HBI Office Plus will work with your School/PTA/Organization to create and fill "Back To School Backpack Kits" for students in K-12?

We have successfully worked with Tribal Councils and other Organizations to design the kits based on grade level, work with Organizations to establish quantities required per grade, pick/pack, and delivery Backpack Kits for the start of the school year.

If this is something that you would like to participate in, or sponsor, please reach out to HBI at: websales@hbiop.com or 1-800-664-3680

WE OFFER BACKPACK KITS!

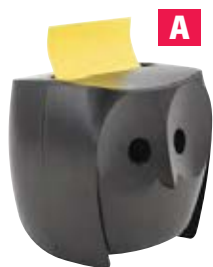

Did you know that HBI Office Plus will work with your School/PTA/Organization to create and fill "Back To School Backpack Kits" for students in K-12?

We have successfully worked with Tribal Councils and other Organizations to design the kits based on grade level, work with Organizations to establish quantities required per grade, pick/pack, and delivery Backpack Kits for the start of the school year.

If this is something that you would like to participate in, or sponsor, please reach out to HBI at:

websales@hbiop.com or 1-800-664-3680

WE OFFER BACKPACK KITS!

Did you know that HBI Office Plus will work with your School/PTA/Organization to create and fill "Back To School Backpack Kits" for students in K-12?

We have successfully worked with Tribal Councils and other Organizations to design the kits based on grade level, work with Organizations to establish quantities required per grade, pick/pack, and delivery Backpack Kits for the start of the school year.

If this is something that you would like to participate in, or sponsor, please reach out to HBI at: websales@hbiop.com or 1-800-664-3680

Classic Low Odour Dry-Erase Markers consistently write smoothly and erase easily.

From the DryGuard™ ink protection that keeps markers from drying out, to the magnetic eraser cap to quickly fix mistakes, these markers will give you the ultimate writing experience every time.

Cap features magnet for easy storage and built-in eraser for quick corrections

A

NATURE VIEW COLLECTION

Nature View Collection features printed wildflower scenes on clear acrylic panels in cabinets, cushioned sofas with storage, room dividers and privacy and social distancing spaces that brighten and define any room environment. Create a unique and inviting landscape that fosters a child's deep connection to their learning environment and sets the trajectory of their future learning outcomes. All pieces in the collection are sold separately and connect without the use of unsightly plastic connectors to create a beautiful divided area layout that adapts to your specific need. Corners and edges are rounded over and finished smooth for safety. Constructed in beautiful, durable 15mm birch plywood and solid maple in safe, non-toxic natural UV finish that won't yellow and withstands rigorous use. Made in USA. Lifetime warranty.

A NATURE VIEW DIVIDER PANELS

Provide important visibility for adult supervision. Use the connector hinges [included] to connect the panel to other pieces in the Nature View Collection [each sold separately]. Room divider panel features a safe, shatterproof clear acrylic panel imprinted with an inviting nature scene that brightens and defines any room environment.

C NATURE VIEW RADIANT LED LIGHT TABLE

Innovative cylinder design eliminates corners for safety and provides more accessibility to the table surface. Illuminated side panels. Sturdy feet in 25mm birch plywood and fastened for greater stability without impeding access. LED lighting system displays brighter and more uniformly, uses less electricity, produces less heat and features an on/off in-line toggle switch. 29 ½"W x 29 ½"D x 24 ½"H.

WB0738

D NATURE VIEW FIVE SECTION COAT LOCKER

The mountain scene inside conveys a calming welcome. Five sections accommodate 10 students and keep coats, footwear, backpacks and lunch boxes separate and organized. Each coat compartment has two sturdy double hooks, one mounted on each inside wall, and a seat for preschoolers. Includes wall-attached brackets for safety. 54"W x 11 ¾"D x 48 ½"H.

WB0852

E NATURE VIEW SERENITY CABINET

36" High cabinet with a woodland scene on a clear acrylic back. Creates an inviting room environment without compromising important visibility for child supervision. Three fixed shelves provide three divided storage compartments on the upper and lower shelves and two compartments on the middle shelf. 48"W x 11 ¾"D x 36"H.

WB0647

A

A NATURE VIEW ACRYLIC BACK CABINET

This 24 1/4" high cabinet features a safe, shatterproof clear acrylic back panel imprinted with an inviting nature scene. Two fixed shelves provide three divided storage compartments on the upper shelf and two spacious compartments on the lower shelf. Constructed in beautiful, durable 15mm birch plywood with no visible screws or joinery for a nice finished furniture look. 24 1/4"H

WB0247

B

B NATURE VIEW PLAY GREENHOUSE

The design features wide door openings, an open pergola-style roof and realistic wildflower fields and plants printed on safe, shatterproof acrylic panels that dampen noise, accommodate social distancing and provide maximum visibility for adult supervision. All corners and edges are rounded over and finished smooth for safety. Constructed in beautiful solid maple and sturdy plywood.

WB0511

C

C DISCOVERY CRAWL-THRU CABINET

Babies and young toddlers will enjoy crawling through the two large openings to explore their reflection on safe acrylic mirrors mounted on each interior side wall while the clear acrylic end panels provide unobstructed views of the child inside for safe supervision. The middle compartment features two open fixed shelves and two clear plastic trays [included] that put toys, manipulatives or other items within easy sight and reach by early movers.

WB0861

D

D NATURE VIEW WINDOW SEAT

The front is a roomy 12"H seat [green cushion included] with a spacious storage compartment underneath, flanked on the sides and back by shatterproof clear acrylic windows that dampen noise and provide important visibility of the child inside. In back are four fixed shelves that provide ample storage for books, toys, puzzles, games, or other classroom materials. All corners and edges are rounded over and finished smooth for safety. Constructed in beautiful, durable birch plywood in a safe, non-toxic natural UV finish that won't yellow with age and withstands rigorous use. GreenGuard™ Gold certified. Lifetime Warranty.

WB0857

A JONTI-CRAFT CANOPY COVE

Create a unique area for studying, reading, and learning with the Canopy Cove. Two 36" straight-shelf storage units joined by a canopy overhead provide ample space for books, games, and peripherals. Plus, they feature a write-n-wipe back surface for maximum use. 57 1/2"H x 72 1/2"W x 37 1/2"D.

2374JCWW

B JONTI-CRAFT BOOK BROWSER

Mobile cart for displaying books in the eight section top plus storage below for puppets and supplies. Book display easels on both ends. Minimal assembly. Bottom shelves are 46"W x 11"D x 14 1/2"H.

0537JC

C ROCKING CHAIR

Stylish, durable solid maple hardwood rocking chair in safe, non-toxic clear finish. Four bolts attach the base to the seat frame for easy assembly.

- WB5533 Child
- WB5536 Adult

D JONTI-CRAFT DEAM READING NOOK

Create a retreat for students to separate themselves from the hustle and bustle of the classroom. Perfect for reading, studying, and relaxing. Double-sided write-n-wipe surfaces on the sides provide a space for students to jot down ideas, learning concepts, and work out problems. Large cutouts in the sides and the open top give teacher visibility while still creating a private area for students. Angled back rests inside create an ergonomic seat. Side openings are 37" in diameter. Cloud write-n-wipe surfaces are 24"H x 28 1/2"W. Inside write-n-wipe panels are 29 1/2"H x 33"W. Total size 46 1/2"H x 48"W x 37 1/2"D.

Available in a variety of durable table-tops, flexible storage solutions, welded stainless-steel framework ensures a durable sleek metal profile, multi-storage configurable solutions for working, exploring, and discovering. Supports the latest technology, promotes hands-on learning activities, encourages learners to design, experiment, invent and build.

NPS SCIENCE LAB TABLES

National Public Seating strong and sturdy science tables are a necessity for your science lab. Built from solid ash wood with an attractive polyurethane clear finish, our High Pressure Laminate Science and Lab tables are perfect for many science and chemistry classrooms. HPL tabletops provide an exceptional work surface and are made with a high-pressure laminate surface that has been tested according to NEMA standard testing to resist scratches, boiling water, high temperatures, and many forms of stains including a number of acids.

A SLT SERIES

30"H and 36"H tables available in 24" and 30" width. 24"W table available in 48", 54", 60" and 70" lengths. 30"W table available in both 60" and 72" lengths. Solid ash legs and apron. Rubber liquid protecting boots included. Adjustable glides for accurate leveling. Black, Chem-Res high pressure laminate top on a 1 1/8" thick core is resistant to 13 chemicals. Legs attach with metal on metal double bolt through assembly on 13-gauge steel corner braces.

NPSSLT2448

**B HLST SERIES**

HPL tabletops come equipped with our top of the line ribbed-tongue T-molding. The table legs are assembled with a 13-gauge, heavy duty steel brace attached with a metal-on-metal double bolt connection for superior durability and to provide a no-wobble experience. Available in 12 different sizes with optional book compartments.

NPSHSLT

**C SLT-AH SERIES**

Round legs have a 2-38" diameter, and are offered in: stylistic matching light oak woodgrain OR striking textured black. Legs adjust smoothly and easily in 3/4" increments from 29" to 41" in height. Adapts for ADA requirements. Easy assembly, with pre-drilled pilot holes. Patented mechanism allows table to rise effortlessly and automatically lock at your height setting requirements. Available with and without book compartments. Available in a variety of sizes from 24" x 48" to 30" x 60".

NPSSLTAH

**D UTILITY TABLES**

Unique table top options allows for team work in STEM Labs and Makerspaces. 14-gauge steel legs adjust in 1" increments giving you many options to configure as you see fit. 1.5" square legs, tamper-free threaded hardware on industrial grade table tops provide for rugged use. Available in a variety of size options to suit your needs. BBUT Series has Butcher Block Top made with Maple wood and finished with a UV coating. WBUT Series has a Whiteboard Top. 1.25" thick high pressure laminate top.

NPS® CAFETERIA MOBILE TABLES

Mobile Tables from National Public Seating are the perfect solution. Built on a solid 14-gauge steel frame with tamper-free hardware, tabletops & benches are protected with a high pressure laminate top and a phenolic backer sheet making them power washable. Storage latch release handles are easily accessible from both sides of the table without having to reach in. The storage latch automatically locks when folded for safety. Tables operate smoothly and safely thanks to the NPS EasyLift torsion bar system. The self-leveling automatic down lock engages at a partially opened position for safe, easy cleaning and again at the fully opened position. Our caster lift-off safety feature prevents the tables from rolling while in use.

A MITYBILT INDIGENOUS JUICE MEDICINE WHEEL OTTOMAN

First Nations Juice Medicine Wheel Ottoman - Juice seating can be combined to produce multiple sitting environments, ideal for informal group study and a sure way to bring life and vitality to any space! The structure is lightweight yet strong, combining a wooden frame with resilient foams and fabrics. Available in 18" high. Includes two white, two black, two yellow and two red ottomans forming a 10' diameter circle. Nylon floor glides.

JSMED.18

B MITYBILT INDIGENOUS FLOOR CUSHIONS

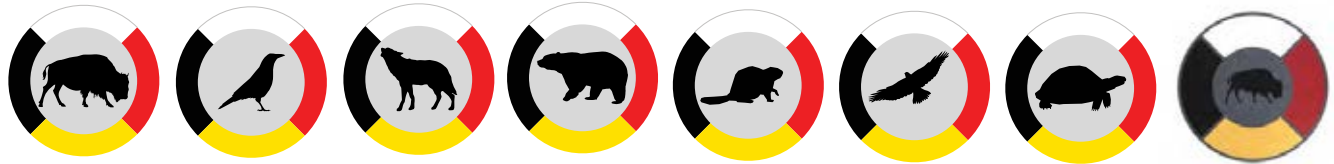

The Hive floor cushion is designed to increase the comfort of students sitting on the floor. The optional Hive mobile cart transforms the floor cushions into a comfortable mobile stool while also storing them if not in use. Includes 4 cushions. One black, yellow, red and white per set. The Hive Floor Cushion is a 4" high density foam seat that creates a comfortable sitting position on the floor. Vinyl exceeds 500,000 double rubs. High resiliency CFC-free fire retardant polyurethane foam.

HSFC.MED4

C HUSH SACRED SEVEN WALL PANELS

Hush is manufactured from a safe, sound absorbing material enhancing acoustical properties to classrooms, libraries and common areas. Many Aboriginal organizations and communities have adopted the 7 guiding principles, in one form or another, as a moral stepping stone and cultural foundation. 48" diameter acoustic wall panel. Available in 7 different symbolic animals. Each wall panel is sold individually. Acoustic panels made from recycled pop bottles - reducing ocean plastic. Made in Canada.

HS-575

D MITYBILT INDIGENOUS MEDICINE WHEEL TABLE

The Medicine Wheel Table is an exclusive product by MityBilt featuring a unique graphic high pressure laminate design. Different tribes interpret the Medicine Wheel differently. Each of the 4 Directions (North, East, South & West) is typically represented by a distinctive colour, such as white, red, yellow, and black, which for some stands for the human races. 1" thick 45lb high density particle board. High pressure scratch resistant laminate. Chewing gum resistant table backing. 3mm vinyl bonded edgeband. Rounded corners for safety. Adjustable height legs in a range of sizes. Metal to metal leg fixings. Durable powder coat finish. Non-removable adjustable floor glide.

A SOJI

A highly adjustable task chair with more ergonomic options than most in its class. Designed for a wide range of people, spaces and modes of work. Black fabric seat with mesh back and black base. Black.

SJT20711A5K3A18

Call for Price

B VERY TASK

The Very Task's top characteristics include its universal appeal, wide range of application, up to 98% recyclable and fantastic scope of colour for the workplace or home office. Grade A Tellure fabric in Black with black mesh back. Black trim, base and casters. Tellure fabric.

SCT2071153A18MS

C ZODY

A high-performance task chair, Zody blends science-based wellness and comfort with sustainability and international design. Grade A Tellure fabric in black with black mesh back. Black trim and metallic silver base. Tellure fabric.

SZT20724MA13A18

D FERN

Fern is a new movement for the human experience. It's a benchmark in task seating for people at work, a chair that responds to you. Fern eliminates the structural barriers inherent in other task chairs - like hard edges and limited flex, which create discomfort and lead to distraction - so people can perform at their best. Tellure fabric.

SFTU07514A5MBCL

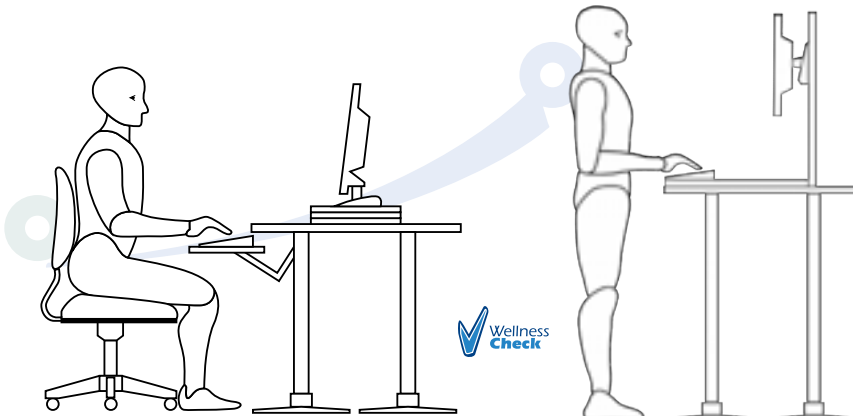

SIT STAND

MOVE → = MSD Prevention

Musculoskeletal Disorders (MSDs) are injuries to soft tissues (muscles, tendons, and nerves) that are a result of frequent/repetitive activities performed in non-neutral postures or with high-force.

Workstations that support use of neutral and dynamic postures encourage active muscle recovery breaks and support MSD prevention.

Ideal set up = achieved by maximizing the **ADJUSTABLE** features of workstation furniture and equipment, and selecting complimentary **ACCESSORIES**.

TERMS & CONDITIONS

HBI OFFICE PLUS CUSTOMER SATISFACTION WARRANTY

We pledge Customers for Life! Which means total customer satisfaction. Our goal is to give you quality service and price that you expect and deserve. Should you find a product unsuitable, or if it should fail to perform due to defects in manufacturing or workmanship, return it within 30 days for a complete refund while complying with the following conditions.

RETURNS

Full credit or refund will be cheerfully issued on any regularly stocked item returned within 30 days of delivery, accompanied by the invoice or cash receipt (conditions may apply, consult your local sales representative). The returned merchandise must be in saleable condition, complete with the original packaging and all instruction materials. Special orders cannot be returned. Some items must be sealed in original packaging to qualify for return.

Furniture items are non-returnable, unless damaged. If the item is damaged, an exact replacement will be shipped as soon as available.

Printers and technology products must be in their original packaging unopened and returned within 15 days or they are non-returnable.

Please note: warranty calls must be placed with the respective manufacturer. Depending on the type of warranty being provided, the manufacturer will determine the appropriate course of action.

PRODUCT DESCRIPTION & PRICING POLICY

While we have made every effort to ensure the accuracy of the information in this catalogue, some prices and specifications may be subject to change. We are not responsible for typographical errors. The product details are based on the most up-to-date information available at the time of publication. Specifications may be changed or products discontinued without notice. We strive to provide our customers with low prices every day. However, market conditions may cause prices to change without notice. All prices are subject to GST and PST where applicable. hbi Office Plus reserves the right to establish minimum order values.

METHOD OF PAYMENT

Payment by cash, cheque, approved credit, Mastercard, Visa, American Express, Electronic Funds Transfer (EFT) and online through your bank.

DELIVERY

Delivery and freight charges may apply.

DAMAGES, LOSSES AND SHORTAGES

All damages, loss of cartons and shortages must be reported immediately. **DO NOT SIGN THE BILL OF LADING UNTIL YOU HAVE CONFIRMED THAT THE NUMBER OF PIECES DELIVERED ARE CORRECT.** Note shortages of pieces and damages on the Bill of Lading and call hbi Office Plus Inc. Immediately. All the above must be noted within 7 days of receipt of goods.
